HOLIDAY CLUB

BURSTING WITH ADVENTURE

Welcome to our Holiday Club!

Our Ofsted Registered Holiday Club at Bursting with Adventure, runs during the School Holidays, and provides opportunity for children and young adults, to engage in fun, child centred activities, within a supportive, and therapeutic environment. Our Holiday Club makes use of our sensory rooms, which has vast equipment to meet their needs. This experience also allows for children and young adults to develop their life skills, helps towards developing their independence, allows them to join in with new social opportunities, and also give them the opportunity to try new things in an inclusive environment.

We are passionate about helping families, and we recognise that our Holiday Club allows families the time to do things they may not otherwise be able to do. Families who have children with additional needs, often find it quite difficult to find holiday activities that are inclusive, and locations that are sensitive, and take into consideration, such needs.

Our aim is to solve this problem.
Every child and young person has great potential, in fact they are bursting with it, and they deserve access to adventure, play and risk the same as all children. This specialist service that we offer young people and their families during the school holidays, supports the emotional, psychological, intellectual and social development of these young people, aged 5-16 years, through the providing of a range of activities, and providing their families respite. Our holiday club is underpinned by an Occupational Therapy ethos and focuses on meaningful occupation and access to leisure.

"The summer holidays can be great fun and for many, they are a time to relax, go on adventures and (if we're lucky!) enjoy the sunshine. But, for some families, they can also be difficult or stressful."

Play and leisure is important to all of us, but to children with additional needs it is *essential*. For children with additional needs, play is vital to help them develop socially, intellectually, emotionally, and physically. Our Holiday Club provide a fun, stimulating and safe environment for children with additional needs to play and socialise. The clubs encourage children to be as independent as possible and are jam-packed with exciting activities to keep the children active and entertained during the school holidays.

HOLIDAY CLUB

BURSTING WITH POTENTIAL

Our Team

OFSTED REGISTRATION NO: 2751272

Our Holiday Club team consists of:

- **Playworker's**
- **Intervention Specialists**
- **Occupational Therapy Assistants,**
- **and Occupational Therapists**

All of our workers come with a variety of skills and experience; with experience of working with SEN children and young people. All workers are inducted and receive regular training. Enhanced Disclosure and Barring Service checks, (DBS), are carried out on all workers before they are permitted to work with any children.

Booking onto our Holiday Club

To book onto our Holiday Club, please email us at: office@burstingwithpotential.co.uk, or call directly us on 01733 223720.
This direct booking ensures we tailor our sessions to those attending. Our sessions are organised with the individual child's needs taken into consideration. Also, we are able to organise staffing to suit the individual child's need's, and we can accommodate all those wanting to attend.
